**PAC Agenda**

**May 7th, 2025**

**7:00 am**

- **Welcome & introductions** ~ Kara
  
- **Acknowledgement** ~ Lu-Anne
  
- **Approval of last meeting's minutes** (those present at April 9/25 mtg)
  1. postponed
  
- **Principal's Report** ~ Shelley
  1. Fun Fair – confirm hot lunch/hot dogs for kids and to feed the kids from Fraser Middle coming to help.
  2. Fun Fair Raffle Baskets – teachers want to know if parents can help put together? Some might have a lot of collections and need more than one basket made.
  3. Lost and Found – email and pac page to clear it out.
  4. Ready Set Learn – may 8<sup>th</sup> – we are at 56 kindergarten for fall, this year we are at 44. Covid Babies! Likely will have 3 K classes, no splits for K.
  5. School Goals for next year – staff have been working. Each school needs to have 3 goals in literacy, numeracy, and social/emotional learning. For literacy we have been focusing on writing. Will be intentional about it next year. Might involve extra practice for cursive writing as new studies have been showing link between learning and cursive, can be very helpful with boys especially. Numeracy = number sense, understanding how a number is created and what it signifies. Social/emotional learning: accountability with kids. Has been challenging to talk through with kids and with parents. Seems to be a growing problem and that as group of adults losing respect that needs to be happen.
  
- **Treasurer's Report** ~ Amy
  - Leftovers in budget for the year – we can allocate if necessary.
  - Don't have final cost for Stillwood and Bridal Falls fieldtrip for grade 5s yet.
  - Not all teachers have used the full \$200 allocation for classroom supplies etc from PAC. They have until May 31<sup>st</sup> to spend.

- Gaming fund – only \$21 left. Rollerblading cheque came out. Fieldtrip subsidy will come out as per invoice from Sharon.

- **Fundraising**

- Playground committee (Lindsay)
  - we need to make it clear that the dances can only get in via donations (\$2). Kids were misbehaving – kids were pulling down streamers and acting up, it was not fair for volunteers to be there and need to manage those behaviours. Mrs. Portas was away.
  - Will be a table at the funfair to purchase at different price points with names on it to show the contribution, would go on the fence (chainlink) by the gaga ball kit.
  - Lindsay – said the meeting at City Hall went well – were very receptive. They had playground management people that were out of province new hires. City doesn't have inclusivity playground plan but they want one. Listened and integrated with presentation really well.
- Hot Lunch (Marla) – expenses for hot lunch have not come out of the proceeds yet, so no final numbers.
- Gr. 5 Legacy team update – buddy bench. If extra funds are leftover, they can be carried forward to the next year. Chocolate still being accounted for, mild days still every Wednesday until the end of the year.

- **Let's Celebrate**

- Spring Book Fair – raised about \$500. Bookmarks raised around \$80.
- 2nd Fun Friday lunchtime dance. Student behaviour was challenging right now, so we will pause for the rest of the year.

- **New Business**

- 3rd Family IKT Movie Night - May 9th. Kung Fu Panda 4. Will have Candy bags, freezies, and popcorn available. Will be able to use the square for collecting payment from cards.
- Fun Fair
  - APD will come, bouncy castles will come, need to construct games and get materials, Fraser Valley Party Rentals for carnival games have been contacted but not got back to LuAnne yet (ring toss, etc), will decide re mini doughnut machine and cotton candy machine once we get pricing (we think \$65 per machine).
  - Meeting May 12<sup>th</sup> at 1 pm (after hot lunch) to finish planning. ;
- DPAC meeting this week.

Next meeting IKT AGM June 4th, 2025 @ 7:00pm
