Communication with the School

Parents and staff create a valuable team for supporting the child. We have a combined interest in their success.

Here are some guidelines to foster this success:

- meet the staff early in the school year.
- be informed about your child's class and school activities.
- be involved in your school's PAC.
- be willing to work as a team with the school as we have the same goal: 'growing the whole child'.

Problems and concerns can always be resolved through communication.

Step 1: Speak directly to the teacher or adult involved.

Stay calm and polite.

Remain focused on what is best for the child.

Please be respectful of the process that is in place.

Step 2: If you need further assistance with your concern, the school's administration are there to help.

Discipline/Behaviour

In the classroom, in the halls and at school functions, standards for appropriate behaviour are based on mutual respect and co-operation. Students who display inappropriate behaviour must understand that there will be consequences for their actions.

Our goal is that the discipline process should be a learning situation for all.

In order that we at Irene Kelleher Toti:ltawtxw ensure the safety of our students and provide them with an environment that promotes learning we use a progressive discipline model when dealing with students who display unacceptable and/or inappropriate behaviour. The severity, frequency, age and maturity of the student is taken into consideration when unacceptable conduct occurs. We ensure that responses to unacceptable conduct are fair. For most infractions, the student will be counselled by the teacher or principal. If necessary, the parent will be informed.

Unacceptable Conduct

- **behaviour that:**
 - is disrespectful
 - interferes with the learning of others
 - interferes with an orderly environment
 - creates unsafe conditions

Harassment and Bullying

Harassment or Bullying is repeated acts of inappropriate remarks, jokes, taunts, comments, gestures, sexually suggestive comments or actions that create an uncomfortable or hostile environment.

A Bully is someone who:

- uses power to hurt others or harm their possessions.
- purposely scares or intimidates others
- is sometimes supported by other people who just watch and laugh, instead of helping the person being bullied.

If you are bullied, tell a parent/guardian, teacher or another adult with whom you feel comfortable discussing the incident(s) as soon as possible.
